Fasten the end cap onto the table.

Slide the eyebolts into the end cap, then into the top of the table and thru the bottom of the table.

Put the washers onto the open end of the eyebolt, then use the wing nut to secure the end cap.

You have 3 threaded pipes that say “BANNER” and 3 pipes with receivers on them. Screw each of these together to make 3 long pipes.

NOTE: The pipe with the BANNER sticker will be at the top.

Insert and slide the poles marked **BANNER** into each end of the banner.

Then, connect the 2-way elbows to top of the **BANNER** pipes.

(make sure the words **PRAYER STATION** are facing up, and covering "BANNER" sticker)
